Books to Help Parents Grow Readers | My Little Poppies

Of course, I had read all of the research and I know that the best way to raise readers is to love books yourself, to live in a home filled with print, and to read early and often. So it was silly to think that I'd raise a book hater, but still I worried. As a result, I read heaps of books to help parents grow readers.

How to Raise a Reader

If you've let reading slide to the margins of your life, now is the time to bring it back. Make the space, and time, for books you read for yourself, and books you read with your child.
