## 10 Eco Friendly Shopping Tips

If you buy products that were made or harvested locally, you can eliminate this issue. 2. Buy Food in Season. Another way to do your part is to buy food when it is in season. If you're spending money to buy products that are out of season and grown in other parts of the world, you are encouraging products to be shipped over long distances.

## Thinkfood Munch

Thinkfood Munch – an age old nutritious snack. Nuts and seeds have been a cornerstone of human nutrition for centuries, providing a powerhouse of vitamins, minerals, micro-nutrients, essential fats and fibre. Bite-sized cubes made from only wholesome ingredients; premium grade nuts & seeds, evaporated cane juice and dusted with a little sea salt.

## The Best Anti

Whenever their stress levels rise, some people typically reach for a bag of chips or pint of ice cream, a habit known as "stress eating" 1 or "emotional eating." But although you may temporarily feel good after eating "comfort food," you might end up regretting this in the long term. Emotional eating can result in inability to address the situation responsible for triggering unhealthy heating ...
