## Unification movement

The Unification movement, also known as the Unification Church (UC), is a worldwide new religious movement whose members are sometimes colloquially called "Moonies". It was officially founded in 1954 under the name Holy Spirit Association for the Unification of World Christianity (HSA-UWC) in Seoul, South Korea by Sun Myung Moon (1920-2012), a Korean religious leader also known for his business ...

## Scientific theory

A scientific theory is an explanation of an aspect of the natural world that can be repeatedly tested and verified in accordance with the scientific method, using accepted protocols of observation, measurement, and evaluation of results. Where possible, theories are tested under controlled conditions in an experiment. In circumstances not amenable to experimental testing, theories are evaluated ...
